In 2015 and 2016, Hatboro-Horsham High School was named to
the 7th annual College Board Advanced Placement Honor Roll list.

In 2014, Newsweek Magazine included Hatboro-Horsham in their
“America’s Best High Schools” publication. HHHS was ranked
#343 on the list of the top 700 public, private and charter schools
in the United States.

In 2015 and 2016, Hatboro-Horsham High School was named to
the 7th annual College Board Advanced Placement Honor Roll list.
HHHS was one of only six schools recognized in Montgomery and
Bucks Counties.

HHHS employs a 1:1 device program where all students receive a
device. This program has transformed the teaching and learning
environment needed to prepare students for the post-secondary
world and the skills needed to experience success. Other

technology used to facilitate curriculum and instruction include
Smart Boards, digital cameras, scanners, networked printers and
more.

The Student Success Center offers references as well as a variety of
online programs on colleges, careers, testing, military services and
technical and trade schools. There is staff available to assist to

students and parents. The high school also utilizes Naviance and
its web-based software to assist students with the college
application process including electronic transcripts, letters of
recommendation, and in-depth college and career choice options.

Scheduling

The Hatboro-Horsham administration and staff believe that
Intensive (Block) Scheduling, implemented in the 1992-93 school
year, offers our students better academic preparation for college
and career success. There are four 75-minute instructional periods.
The middle of the day includes a 90-minute block where students
can lunch and engage in self-directed or teacher assigned academic
assistance. The abovementioned 90-minute period is referred to as
the H.A.T.S. period, which stands for Hatters, Achieving.

Targeted Success. The school year is divided into two semesters
totalling 180 days with four marking periods. We have adopted an
every other day rotation in order to permit students the
opportunity to take additional courses. A 1.0 credit course meets
every day for 18 weeks and a .5 credit course meets every other day
for 18 weeks.

Curriculum

Through required courses and extensive offerings, students may
customize their program of studies to meet individual needs and
interests. Instruction is delivered with varying levels of difficulty
including Advanced Placement (AP), Accelerated, Honors, College
Preparatory and Academic level courses where additional supports
may be warranted. We also offer a dual enrollment course through
Montgomery County Community College, which allows students
to receive college level credit.

We also offer a variety of courses online through the Virtual High
School. The enrichment or gifted program is designed to extend
the regular curriculum using higher-level thinking skills in group
and independent work.
There are over 40 Honors Level Courses offered in English, Math, Social Studies, Business, Science and World Language. There are four Accelerated courses offered in Mathematics.

Lastly, the Eastern Center for Arts and Technology (ECAT) provides training in 19 career areas. Several ECAT programs offer college credit through Montgomery County Community College.

Advanced Placement Courses
- AP Art History
- AP Biology
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP Computer Science
- AP US History
- AP World History
- AP US Gov’t. & Politics

*Sophomores who meet the specific criteria are eligible to take one or more of six available AP courses*

Advanced Placement Testing Results
Over the last five years 82% of students scored a three or higher on their AP exams. During the 2018 school year, 80% of HHHS students scored a three or higher on their AP exams. In 2017, The College Board recognized 79 HHHS students as Advanced Placement Scholars and 5 students as Advanced Placement National Scholars.

Graduation Requirements
Hatboro-Horsham High School offers a differentiated diploma for students. Students seeking the Traditional Diploma must achieve 26 credits based on specific district and State approved criteria. Students also have the option of achieving a Scholar’s Diploma, which consist of a very specific set of course criteria and grade point average. Students seeking the Scholar’s Diploma must complete 29 credits.
